How to set your secret questions

Step by Step Guide For New Students
It is recommended that you set up 3 Secret Questions and Answers

Your secret questions and answers can be used to reset your password when you have forgotten it.
1. Click the Change Password link in the top right of the Learner Portal
2. The password change box will display as shown below.

3. Click the Set your secret questions link, click OK
4. Type in your password.
5. Select three secret questions from the drop down lists and type in the answers in the boxes below each question.

6. Click OK to save the details.
