BUILDING, CONSTRUCTION AND PROPERTY

More than half the world’s population live in cities. With the increase in urbanisation and continued growth in population, the development of our environment into liveable and sustainable spaces that will accommodate diverse and growing communities is vital.

TAFE NSW is one of Australia’s largest providers of skilled-trade training, with thousands of employers choosing us to train their staff each year. We’re passionate about quality, hands-on training and want to help you reach your career ambitions. There are countless career options within Building, Construction and Property. Choose from a variety of trades and disciplines and start at a level to suit you, whether you are looking for an apprenticeship, are currently employed or looking to make a career change. A career in this area gives you the chance to design, innovate and create, using your skills to help build and shape Australia’s future.

WHY CHOOSE TAFE NSW?

Recognised and respected. TAFE NSW has built its reputation on delivering trusted, industry aligned and nationally recognised qualifications for over 130 years.

State-of-the-art facilities. Purpose-built facilities designed to train you in real world, all-weather settings. Specialist centres include stonemasonry, carpentry and joinery, glass and glazing.

Quality teachers. Experts in the Building, Construction and Property sectors, our teachers maintain dynamic relationships with industry and industry bodies.

Strong industry connections. Partnerships with major projects such as Barangaroo Skills Exchange, as well as peak industry bodies including the Master Builders Association, Housing Industry Association and Australian Property Institute.

Opens career doors. We ensure our graduates are industry-ready with qualifications aligned to NSW Fair Trading licensing and registration requirements and our work placements often lead students into full-time work.

BUSINESS AND FINANCE

From the point of conception to the point of sale, the varied roles of Business and Finance underpin one of the largest sectors of the Australian economy. The skills you develop and fine-tune will open countless career doors, and can be applied across all sectors.

Whether you are interested in small or large enterprises, specialist work or general management roles, TAFE NSW offers a range of Business and Finance qualifications that will provide insight into organisational productivity and business success. Focus your skills on Accounting and Finance, Human Resources, Training and Assessment, Marketing and Communications or Sales and Retail. Provide specialist Business Administration support or learn to lead and manage a team to ensure your business is organised for ongoing success. Whatever your passion or direction in this challenging and rewarding sector, your knowledge will be transferrable across multiple industries, ensuring your career progresses.

WHY CHOOSE TAFE NSW?

Strong industry connections. Affiliations with the Institute of Public Accountants (IPA), the Financial Planning Association (FPA) and Certified Practising Accountants (CPA) Australia, Australian Marketing Institute (AMI), Australian Institute of Project Management (AIPM), Price Waterhouse Coopers (PwC), as well as retail giants such as David Jones, Myer, Mimco, Freedom, Ikea, Witchery and Country Road.

Opens career doors. Specialist qualifications and our strong industry networks mean many work placements lead students into full-time jobs.

Strong study pathways. TAFE NSW offers a range of Business and Finance related degree programs. Arrangements with universities also create pathways to other degree-level studies.

Study to suit you. Flexible course delivery is available for many courses: full-time, part-time, or online so you can fit study around your commitments and lifestyle.

Global prospects. Gain technical knowledge, creative thinking and specialised skills that are highly sought after by employers around the world. International study tours mean you may also have the opportunity to travel as part of your course.

EMPLOYMENT GROWTH

Strong to very strong job growth is expected in the future for Project Administrators, Advertising and Marketing Professionals, Human Resource Managers, Chief Executives, Managing Directors, Business Analysts, Accountants and Finance Managers.

LIBRARY AND INFORMATION SERVICES

People have always collected, catalogued and treasured information and data. In today's digital, information-rich world, Library and Information Services professionals play an increasingly vital role by ensuring equal access to resources, providing spaces for people to connect and share information, and instilling a love of learning.

Sharing knowledge makes us all grow together. Studying Library and Information Services can lead to a career in both the public and private sectors, including business, media, government, museums, galleries and in education institutions.

TAFE NSW teachers and staff have specialist experience across a range of library operations, including cataloguing, database management, digitisation, web design, collection development and reader advisory and reference services. Our industry-placement options are supported by hundreds of libraries and facilities, so you can put your learning into practice.

WHY CHOOSE TAFE NSW?

- **Opens career doors.** Supported by hundreds of NSW libraries, our industry placement options help you put your learning into practice. Many of our work placements lead students into full-time work.

- **Recognised and respected.** TAFE NSW has built its reputation on delivering trusted, industry aligned and nationally accredited courses.

- **Strong industry connections.** Our industry-experienced teachers deliver qualifications in line with current and emerging library and information science practices, including our Diploma which is accredited by the Australian Library and Information Association (ALIA).

- **Pathways to Degrees.** You may be able to fast-track your Library or Information Services studies and gain credit towards a Degree at Charles Sturt University, UTS or Australian Catholic University.

LOGISTICS AND WAREHOUSING

Ensuring the right thing is in the right place at the right time is big business. Logistics is an integral part of Australia’s supply chain, an important driver of economic growth, employing more than 1.2 million people across warehousing, storage, handling and distribution.

This growth industry continues to respond to the challenges of increased efficiencies in the digital age, powering everything from small business to iconic retailers, large-scale manufacturers and everything in between. Coordinated logistics, supply-chain management and warehousing solutions are integral to any organisation trying to reduce costs and run as efficiently as possible.

Get your career moving with a course in Logistics and Warehousing at TAFE NSW, preparing you for roles in the industry such as logistics manager, operations manager, customs broker, warehouse manager or storeperson.

Because this sector embraces every other sector and organisation, the opportunities are endless.

FULL-TIME OPPORTUNITIES

Supply and Distribution Managers have a very high proportion of full-time jobs.
